The Willa S. Cather Dining Complex (WCDC) consists of meeting spaces, a convenience store, a dining hall, and the central administrative offices for University Housing. The meeting spaces on the first floor of the building offer over 7300 square feet of flexible meeting space. We invite you to consider using these spaces for your next event.

Availability

Meeting spaces are available for reservations seven days a week between the hours of 8 am and 11 pm. Special permission must be obtained for reservations on UNL holidays, days when UNL is closed, and the time between the end of the fall semester and the start of the spring semester. All meeting spaces are held exclusively for University Housing use for the three weeks prior to the start of the fall semester.

**Internal Reservations:** University Housing, RHA, any residence hall government, NRHH, any Vice Chancellor, the Chancellor, and the Board of Regents are considered internal when the usage is for an event directly sponsored by and attended by the requesting entity. The Director of Housing and the Associate Director of Housing for Business and Fiscal Operations have the authority to give any reservation internal status or grant special terms.

**External Reservations:** Any UNL department not already considered internal, any RSO, or any organization outside of UNL are considered external. University Housing reserves the right to deny requests at our discretion, particularly from organizations deemed as competition to UNL or University Housing. Reservation requests can be submitted in accordance with the following time frames and are limited to five reservations per semester.

- Fall Semester opens for reservation requests on June 15.
- Spring Semester opens for reservation requests on November 1.
- Summer opens for reservation requests on March 15. Summer is defined as the Sunday after May graduation through the last day of the second five week session in August. Summer camps and conferences using University Housing Conference Services may request reservations starting October 1 when submitting the Request for Services form.
Room Rental Pricing

All reservations matching the definition of internal from the previous page will be at no cost. In addition, reservations with food and beverage charges from UNL Catering greater than twice the room rental fee for that day will have the room rental fee waived. All other reservations will be considered external and will be charged for room rental as follows:
